

LIGHTS OF LOVE

A Time to Remember in the Festive Season

Tuesday December 5

7-8pm

St Antony's Priory

Come and sing your first carols of the year in the beautiful chapel at St Antony's Priory. Light a candle for one you love in the company of others who may also be feeling sad in this season.

This will be a time to remember and honour those we love and miss with carols, readings and in quiet. It will be more reflective than religious and is open to all. Refreshments served afterwards. No booking is required.

A Bereavement Course will follow on in the New Year, led by Lynn Nausner and Tess Ward, and will be by booking only. More information regarding the course will be given at the Lights of Love.
